

BESIG Annual Conference 2009

the most important Global conference for Business English

20 - 22 November 2009

**University of Economics
POZNAN - POLAND**

We look forward to yet another great conference in 2009.

Poznań is the capital of the Province of Wielkopolska (Greater Poland). It is the historical capital of the region and one of the oldest and largest cities in the country.

The city is situated at a strategic location on the cross-roads of important road and rail routes from Paris in the West, through Berlin and Warsaw to Moscow in the East, and from the Balkans in the South through the Baltic Sea to Scandinavia in the North. The city lies halfway between Warsaw and Berlin and is only 81 miles from the German border. Travel on a EuroCity train from Berlin to Poznań takes only three hours and Poznań has its own international airport.

Established in 1926, the Poznań University of Economics is one of the oldest and most prestigious business universities in Poland - this forms an ideal location for our conference. See you there!
